Welcome

Opening Songs

“Let it be Christmas”

Let it be Christmas everywhere
In the hearts of all people both near and afar Christmas everywhere
Feel the love of the season wherever you are
On the small country roads lined with green mistletoe
Big city streets where a thousand lights glow
Let it be Christmas every where
With the gold and the silver, the green and the red Christmas every where
On the smiles of all children asleep in their beds In the eyes of young babies their first
fallen snow Elderly's memories that never grow old
Let it be Christmas everywhere
In the songs that we sing and the gifts that we bring Christmas everywhere
In what this day means and what we believe
From the sandy white beaches where blue water rolls
Snow covered mountains and valleys below
Christmas everywhere Christmas everywhere

“Just a Little Talk with Jesus”

*I once was lost in sin
but Jesus took me in,
And then a little light from
heaven filled my soul;
It bathed my heart in love
and wrote my name above,
And just a little talk with Jesus
made me whole.*

*Now let us have a little talk with Jesus
Let us tell Him all about our troubles,
He will hear our faintest cry,
and we will answer by and by.
Now when you feel
a little prayer wheel turning,
you'll know a little fire is burning,
You will find a little talk*

*with Jesus makes it right.
Sometimes my path seems drear,
without a ray of cheer,
And then a cloud of doubt
may hide the light of day;
The mists of sin may rise
and hide the starry skies,
But just a little talk with Jesus
clears the way.*

*Now let us have a little talk with Jesus
Let us tell Him all about our troubles,
He will hear our faintest cry,
and we will answer by and by.*

*Now when you feel
a little prayer wheel turning,
you'll know a little fire is burning,
You will find a little talk
with Jesus makes it right.*

*I may have doubts and fears,
my eyes be filled with tears,
But Jesus is a friend
who watches day and night
Oh, I go to Him in prayer,
He knows my every care,
And just a little talk with Jesus
makes it right.*

*Now let us have a little talk with Jesus
Let us tell Him all about our troubles,
He will hear our faintest cry,
and we will answer by and by.*

*Now when you feel
a little prayer wheel turning,
you'll know a little fire is burning,
You will find a little talk
with Jesus makes it right.*

Song

"Down By the Riverside"

*Gonna lay down my burden
Down by the riverside,
Down by the riverside,
Down by the riverside,
Gonna lay down my burden
Down by the riverside
Ain't gonna study war
no more. Chorus*

*Gonna lay down my sword and shield,
Down by the riverside,
Down by the riverside,
Down by the riverside,
Gonna lay down my sword and shield,
Down by the riverside.
Ain't gonna study war no more. Chorus*

*Gonna meet my
lovin' Jesus,
Down by the riverside,
Down by the riverside,
Down by the riverside,
Gonna meet my
lovin' Jesus,
Down by the riverside,
Gonna study war
no more. Chorus*

Chorus: *I ain't gonna study war no more.
(6 times)*

Sermon

“Preparing the Way - The Ballad of John the Baptist”

Song

“Amazing Grace”

*Amazing grace how sweet the sound
That saved a wretch like me!
I once was lost but now am found,
Was blind but now I see.*

*T'was grace that taught my heart to fear,
And grace, my fears relieved;
How precious did that grace appear,
The hour I first believed.*

*Through many dangers, toils and snares,
I have already come;
'Twas grace that brought me safe thus far
And grace will lead me home.*

*When we've been there ten thousand years,
Bright shining as the sun;
We've no less days to sing God's praise,
Than when we first begun.*

Closing Song

"I'll Fly Away"

*Some glad morning when this life is o'er I'll fly away.
To a home on God's celestial shore, I'll fly away. Chorus
When the shadows of this life have grown, I'll fly away.
Like a bird from prison bars has flown. I'll fly away. Chorus
Just a few more weary days
and then I'll fly away
To a land where joys shall never end, Chorus
Chorus: I'll fly away.
I'll fly away. Oh glory.
I'll fly away.
When I die, hallelujah by and by. I'll fly away.*
